CARE GUIDE

Wash before first use with warm, soapy water and dry thoroughly.

Hand wash only using mild detergent and a soft sponge or cloth, avoid abrasive cleaners and metal scourers.

Do not use our Cast Iron cook and displayware in a dishwasher.

Allow cookware to cool before washing and dry thoroughly immediately after cleaning.

Use silicone, nylon or wooden utensils only to protect the product surface.

Handles may become hot during use. Always use suitable heat protection.

Use supplied silicone rim protectors when stacking to help prevent chipping during storage.
